# SENSATIONS GROUP

TRANSFORMING SPACES INTO EXPERIENCES

---

YOUR LOCAL **BOOTH BUILDERS**

# Who we are

## Two Decades of Expertise

At Sensations Group, we bring clients' stories to life with over 20 years of expertise in booth construction and retail solutions. Our commitment to excellence has made us a trusted partner for agencies across the world.

## Global Presence, Seamless Execution

With Sensations Worldwide in Europe, Sensations Exhibits in the US, and Sensations Displays operating globally in retail solutions, we ensure seamless execution and exceptional results across the globe.

## Tailored Strategies for Impact

We craft tailored, practical strategies that elevate clients' brand and create impactful, memorable experiences. Rejecting a one-size-fits-all approach, we customize each solution to meet every unique need.

# Key Expertise

## Custom Booths

Tailored solutions for a unique brand presence.

## Technology

Using our technology and equipment, we craft immersive experiences for your clients.

## Modular Booths

Flexible, scalable, and sustainable setups for various events.

## Retail Solutions

Comprehensive production of high-impact retail spaces that enhance customer engagement.

## Event Production

Providing end-to-end support for seamless execution, from planning to dismantling.

# Our Process

## Initial Consultation

We collaborate with our clients to fully understand the design and requirements.

We design booths by aligning with client vision, streamlining logistics, and delivering clear timelines.

## Planning

## Production

Boasting the state-of-the-art production facilities and cutting-edge machinery, we handle the construction and assembly effortlessly, ensuring highest-quality result.

Our experienced team ensures efficient and precise installation, adhering to deadlines and client expectations.

## Installation

## On-Site Support

During the event, we provide dedicated on-site support with a project manager overseeing the process, ensuring smooth operations and providing quick solutions.

The image shows a trade show booth for Facet Filtration Group. The booth is primarily white with blue and green accents. A large overhead sign features the Facet logo and the text "Facet Filtration Group". The main wall of the booth displays several informational panels. One panel is titled "ADVANCED SOLUTIONS FOR AVIATION FUEL" and includes a sub-section "From the Refinery to the Aircraft" with a diagram of a fuel filtration process. Another panel is titled "MPAK COLLECTING PLATES Superior Oil Water Separation For Generating Equipment" and shows a technical drawing of a plate. A third panel on the right is titled "NEW HIGH FLOW COALESCERS CMHF SERIES" and includes a photograph of a coalescer unit. The booth is furnished with a white reception counter, a white bar stool, and a white display rack. The background shows other trade show booths and the high ceiling of a large exhibition hall.

The booth is a modern, brightly lit exhibition space. It features a curved white reception desk on the left with a glowing "KIH" logo. The main wall is white with large arched openings. The rightmost arch contains a TV screen and a counter labeled "Economy Kits". The middle arch is labeled "making travel" and displays various products. The leftmost arch is labeled "Small text on the left wall". The floor is a mix of white and light wood. There are several white chairs and tables, including a small round table with two chairs in the foreground. A sign on the floor in the foreground reads "Small text on the floor sign".
